## Summer Reading Club 2015

Up, up, and away! Be a superhero this summer and let books take you away to fun and exciting places. Unmask your love of reading and escape the ordinary with our summer reading theme: **"Every Hero Has a Story!"** We'll soar into summer with our Superhero Training Camp for kids and offer adventurous programs and activities throughout the summer. We'll complete reading logs for prizes, be entertained every Wednesday by talented performers, show family movies every Monday, and we'll "make and take" cool projects. Kids and adults of all ages are welcome to sign up, check out books, and join us as we read through the summer. Enter for a chance to win our grand prize drawings at the end of summer. Come into the library to see what you could win - just for reading!

Teens and adults, your participation is essential, too! The gift of reading not only benefits you as an individual, but also your family and community by increasing literacy. We look forward to having our teen volunteers assist with programs, but we also have activities planned just for you! Teen participation is rewarded with an end of summer lock-in, a letter from the mayor acknowledging your accomplishments, and a chance to try out our new 3D printer!

So whatever your age, don't delay: use your superpowers to get to the library and start reading!
